

## Principals Message

Dear Parents,

Let me start with wishing you a warm welcome back to Reach British School after your vacation. Unfortunately we had a few problems with our A/C units earlier in the week but they have been solved now thanks to the hard work of our new ISP employee – Mr. Rob McIntosh who is our Facilities and Compliance Director for the Gulf Region but based here at Reach British School for the time being.

### FIRE COURSE

Some of you may have noticed that we have the Fire Unit still parked in the KG car park. The company have asked me to offer my parents a FIRE SAFETY COURSE to those who are interested. If any of you would like any further details then please write to me showing your interest to take part. There will be a charge for this course.

The same company are willing to run basic First Aid courses for you or your nannies and drivers, I think this may well be worthwhile to safeguard your children on the way to and from school.

### REPORTS

Reports for Term 2 will be sent home on Monday.

### PARENTS MEETING

The teaching staff will be available to meet with parents from 2.15pm to 4.15pm on Wednesday 20<sup>th</sup> April 2016, please only spend 5 minutes with each teacher.

### END OF THE SCHOOL YEAR

The final day for students at the end of this academic year is 30th June 2016, however if you have heard contrary information to this it has NOT been confirmed in writing by ADEC to our school.

### ADEC INSPECTION

We will be inspected this term by ADEC and I assure you that we are working hard for this to be a successful inspection. I will write to you again when I know the dates but you can play your part in this by making sure that homework is done, behaviour is good, attendance and punctuality is perfect and all of our children are smartly dressed in clean and proper uniform.

Best Regards,

Robert Taylor |School Principal

# This week in Primary...

This week in primary children have settled quickly back into routine. We have a very short term this term and so we need to maximise all learning time. Parents please ensure children are at school punctually: 7:45 am the national anthem is played. Please support children with homework by providing a quiet place for them to work.

On Wednesday we will hold Parent meeting with the teachers. I hope to see as many of you there as possible.

## Have a wonderful weekend.

Claire Leyshon | Head of Primary

Miss Jen's Class had a great time colour exploration without using regular methods, they did some tennis ball painting with Miss Fiona in the art room- they produced some very colourful pieces of work

To all Grade 1 parents who:

# Celebrating Success

Barnaby Bear had a great Spring vacation and hopes you did too. Do you have pictures to share of his adventures?

# This week in Early Years

We have been learning about doctors and nurses and how important they are to us. This has involved looking around the clinic, meeting Nurse Jo and finding out how we can stay fit and well.

In class we have been making our own doctors bags with all the equipment needed to look after the patient we have also enjoyed becoming medical staff in the role play area.

**The children have enjoyed reading a new story 'Froggy visits the Doctor' and discussing their own experience of Doctors and Nurses in circle time.**

In P.E. the children have been practicing balancing skills using the body boards to change direction with confidence and pace. All the children have tried hard and have been very enthusiastic Ms Caroline was very impressed!

Ms Caroline has also asked for parents to ensure they send their children to school in their P.E. uniform on the correct days.
