

Principals Message

Dear Parents,

What a very busy week we have had in school! We had lots of events activities and trips this week.

Early Years Concert

There was a huge turnout of parents to watch the concert on Thursday, which was a culmination of a lot of hard work and dedication from the children, teachers, teaching assistants and of course parents.

The songs and dancing were a credit to the children and teachers, it was a fabulous show and I am very proud to be Principal of a school that is growing in stature with strong roots and a vision for the future.

I was also delighted to see the attitude of you as parents as I firmly believe the audience plays a major part in any concert.

Congratulations to all!

KG2 Splash Day

KG2 have enjoyed a very successful splash day this week. I have witnessed much enjoyment, fun and happiness. I must thank you as parents for supporting this event by sending in water toys for the children to enjoy. Of course, this activity also enabled the children to learn about sharing, measuring and other concepts learnt in the Early Years programme so it was a day that not only let the children have fun but also gain some educational value from the activities that were involved.

My sincere thanks goes to the Teachers and teaching Assistants for making it both very successful and safe.

Grade One Bowling Trip

Grade One thoroughly enjoyed the experience of Tenpin Bowling at Zayed Sports City on Thursday morning. It is a challenging sport but the students were able to knock down the pins and even score strikes in some cases. The children had a wonderful outing and they finished off their morning of bowling with lunch at the centre. Well done to the teachers involved for enabling the students to have such a thoroughly enjoyable experience.

Assessments

The assessments are now over and our teachers are busily marking them and preparing reports. If any of your children have missed assessments it is vitally important that you contact Ms Ghada, Ms Claire or Mr Peter at your earliest convenience.

Calendar

Ramadan will begin next week and the school timing will be as below.

8.30 start with the National Anthem

1pm end of school – buses leave from school.

Reports will be ready for collection on 23rd June 2016.

As per our approved ADEC calendar the school will close for children on Thursday 30th June 2016.

May I take this opportunity to wish you all Ramadan Kareem on behalf of myself and my staff.

Rob Taylor

Principal
