

Principals Message

Dear Parents,

Ramadan Timings

School starts with registration at 8:30am

We are currently getting the buses away by 1:05pm

I have witnessed some good teaching and learning this week even though our school numbers have fallen. The week ended with a very successful house day where the children have completed some team building activities.

It is a good opportunity to improve areas of weaknesses and the teacher have been made aware that the normal level of high educational standards has to take place this month.

End of Year Reports

Reports will be ready for collection by parents on 23rd June 2015.

Rob Taylor

Principal

This week in Primary...

To all of our Muslim families, I would like to wish you all a very blessed Ramadan Kareem.

This week in primary, the students have been busy working away in classes. We have cancelled PE during this holy month and re-organised the timetables. The re-organisation of the timetables has provided the opportunity for children to get to know other children in their year group and in others. The children's behaviour has been exemplary this week which is very positive. They are working so hard and continuing their learning.

We had a very successful House Day today organized by the PE department. Several students were awarded certificates in our afternoon assemblies for their achievement today – so well done!

Ms Ghada sent an email earlier this week about providing the children who are not fasting with lunch and some water as our canteen is now shut. Children who are not fasting are having two snacks each day and they are eating in the canteen – away from the children who are fasting.

Have a wonderful weekend.

House day was extremely successful - house groups had to build a tower that could support a brick. The ideas and teamwork were amazing! Unfortunately the brick was the winner of this challenge!

Yellow team emerged triumphant in both the boys and girls challenges!!!

This week in Early Years...

This week in Early Years the children have been continuing learning about Fairytales. This week they learnt about 'Goldilocks and the Three Bears' and celebrated with a teddy bears picnic to end the week.

The children and staff came dressed in their pajamas and had a lovely picnic in the role-play room.
